

At Stilo, we believe that optimal performance on the track starts with the perfect fit. Our commitment to precision engineering extends beyond cutting-edge technology and materials; it encompasses every aspect of the helmet, ensuring a snug and comfortable fit for every racer. Whether you're tackling tight corners or chasing the checkered flag, the right helmet fit can make all the difference in your performance and safety.

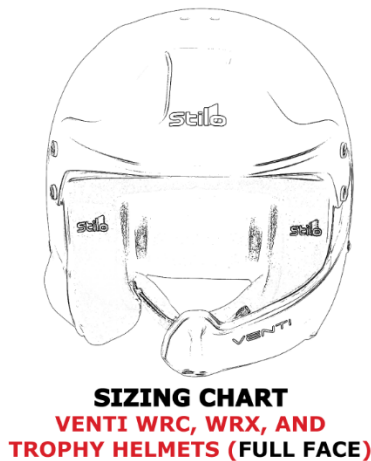

Some Things to Note:

Here's a detailed breakdown of our sizing system across our full face and open face helmet ranges:

ST5 Helmets (Full Face):

- Available in two shell sizes: small and large.
- The small shell covers sizes from 54 (XS) to 59 (L).
- The large shell accommodates sizes from 60 (L+) to 64 (XXXL).
- Exception: ST5 CMR junior karting helmet, available only in a new reduced size (narrower) small shell from 54 (XS) to 59 (L).

US HAT SIZE							

Venti WRC, WRX, and Trophy Helmets (Open Face):

- Introducing a third (medium) shell size for optimal weight distribution and comfort.
- Small shell: Fits sizes from 54 (XS) to 58 (L).
- Medium shell: Designed for sizes 59 (L) and 61 (XL).
- Large shell: Ideal for sizes 63 (XXL) and 64 (XXXL).
- Notable Development: Carbon, 8860, and Zero models now available in the largest size shell, a first in the industry.
